

ACKNOWLEDGEMENTS

The Working Group for Profiler Systems is a subcommittee of the Committee for Observing Systems under the Office of the Federal Coordinator's Interdepartmental Committee for Meteorological Services and Supporting Research. This Working Group was charged in April 1997 with preparing a review of U.S. wind profiler activity. The contributions of the following scientists and engineers are gratefully acknowledged:

Margot Ackley, National Oceanic and Atmospheric Administration (NOAA)/
Forecast Systems Laboratory (FSL)
Russ Chadwick, NOAA/FSL
James Cogan, Army Research Laboratory, White Sands Missile Range (WSMR)
Christy Crosiar, U.S. Air Force, Space Command
Frank Eaton, U.S. Air Force, Phillips Laboratory
Ken Gage, NOAA/Aeronomy Laboratory
Earl Gossard, Cooperative Institute for Research in Environmental Sciences (CIRES),
University of Colorado/NOAA, Environmental Technology Laboratory (ETL)
Rick Lucci, U.S. Air Force, Space Command
Francis Merceret, National Aeronautics and Space Administration (NASA)/
Kennedy Space Center (KSC)
William Neff, NOAA/ETL
